Isuzu Finance of America has launched its finance and lease products to all Isuzu, GMC and Chevrolet W series dealers nationwide.

In conjunction with Isuzu Commercial Trucks of America, IFAI will make its programs available to more than 500 franchised dealers throughout the United States.

"With today's uncertain economic outlook, we are excited and fortunate to be in a position to expand our presence to a national level," added Jim DeFrank, senior vice president sales & marketing for Isuzu Finance of America.
