## Notes / Description

The sheet metal on the right side of the box is dented and bent and the top right corner of the box is dented. The plastic face cover is cracked on the instrument cluster. The driver and passenger bottom seat cushions have holes in them. The left side cover is missing on the dash. The steering column plastics are separating. The floor mat cover is ripped and the material is loose under the seat. The paint is worn on the left grab iron and chipped in the the right grab iron in the cab. The cover is missing from the door panel. All tires are worn and the left steer tire has a split in its center. The rear right brake light lens is broken. The brakes sound squeaky when activated.
