Furthermore, because Aspen does not at any time possess the property inspected, Aspen does warrant that the property inspected has not changed in a manner that would materially affect the inspection report.

A close-up photograph of a Kumho tire tread. The tire is black rubber with the brand name 'KUMHO' embossed in large, bold, capital letters. Above the brand name, the text 'M+S RADIAL TUBELESS' is visible. To the right of this text is a small triangular logo containing a stylized 'M' and 'S'. The tire is resting on a surface of coarse, multi-colored gravel. The top of the image shows the silver metal rim of the wheel.

A close-up photograph of a tire sidewall. The tire is mounted on a silver alloy wheel. The sidewall features the text '235/70 R17 112T' in a raised, embossed font. Above this, the letters 'CU' are visible in a large, stylized font. To the right of the size marking, the text 'www.ku ENGINEER' is embossed. The tire appears to be a heavy-duty vehicle tire, possibly for a truck or bus, given the '112T' load rating. The background is slightly blurred, showing parts of the vehicle's body and other wheels.
